A NEW EMULATOR FOR EASY DEMONSTRATION OF THE **fx-8200 AU** ON THE BIG SCREEN

This free emulator enables you to easily show your students how to use the fx-8200 AU on the big screen and take screenshots for your classroom documents. Because it is part of ClassPad.net, you can also create graphs and interactive geometric constructions.

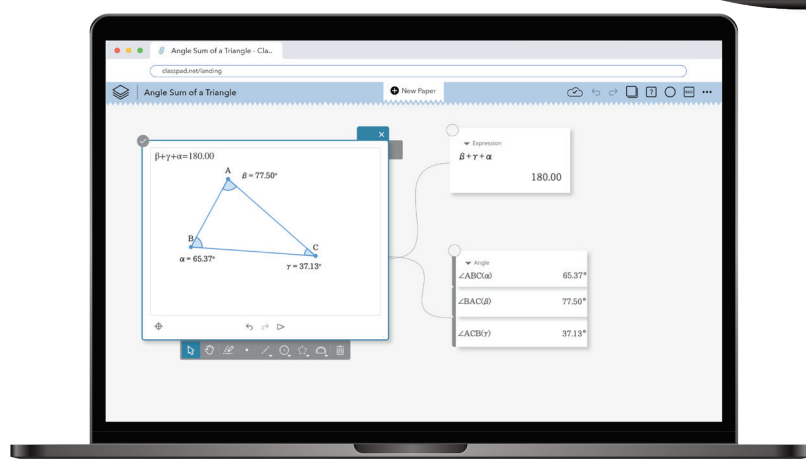

**Show graphs of functions
tabulated on the fx-8200 AU**

**Visualise the probabilities
calculated on the fx-8200 AU**

**Explore geometric principles
(and more) using the
functionality of ClassPad.net**
